

2024 COACHING POSITIONS

University of Canterbury Rugby Club is seeking applications for coaching and managing positions in our Women's, Premier Reserve and Colts grades.

Our club has the enviable position of being aligned to the University of Canterbury and as such each team will be supported by High Performance training facilities, performance analysis personnel, strength & conditioning, nutrition and mental skills coaching.

Women's Premier Coaches (Two Positions)

After another successful season (winning the premiership) we are looking to completely rebuild our women's coaching setup, as our existing coaches head offshore. We are open to the final structure of the positions and are happy to take applications from individuals or teams of coaches. We are extremely interested to hear from any women who would like to either start or build their coaching career. If you are keen to continue the high-performance journey with our women's team, tell us what you can add to the club and this team.

We are also seeking a manager to assist with this high-performance team.

Premier Reserve & Colts Coaches (Multiple Positions Available)

As we look to build on a successful year in our men's teams, we are looking to add additional coaching resource to our club. UCRFC have two Premier Reserve teams and will have three Colts teams in 2024. We therefore need to continue to our coaching resource.

Depending on the applicants, this could be at either our Colts or Premier Reserve level.

We are looking for modern style coaches, who relate to young men well and can communicate extremely well. It is assumed that you will have a strong technical knowledge, but we are happy to help new coaches grow into a role as well. If you have a desire to be involved with a club that is looking to grow and develop its players and coaches then please reach out.

We are also seeking managers to assist these playing groups. These are critical roles in the development of this group, as there are a lot of logistics to work through with this large group.

General information for applicants

Please email your application (& any questions) in confidence to Jared Brixton – ucrfc.chair@gmail.com

Applications close 15th September. All applicants must be NZ/AUS residents, living or already planning on moving to Christchurch.

Please note, these are volunteer roles and do not come with any accommodation.
